

GP assurance return for 3rd dose Immunosuppressed: list of questions

1. Please indicate your region.
2. Please indicate your CCG
3. Have all practices accessed the published list of immunocompromised patients (aged 12 years old and above) on the GP COVID-19 vaccine dashboard? (including those not delivering the Phase 1 / 2 or Phase 3 vaccination enhanced service)

For practices part of a PCN Grouping delivering the COVID-19 vaccination enhanced service:

4. Have all practices* identified and contacted their eligible severely immunosuppressed patients to invite them to book a third primary course dose? *part of a PCN Grouping delivering the COVID-19 vaccination enhanced service.
5. *[If “no” to Q4]* What measures are being put in place to ensure these patients are identified and contacted ASAP?
6. *[If “no” to Q4]* Which PCN Groupings have not contacted all eligible patients (please list their ODS code)?
7. Please state the number of eligible patients in the CCG who have an appointment booked to receive their 3rd dose.

For practices not delivering the COVID-19 vaccination enhanced service:

8. Have all practices not participating in the enhanced service identified their eligible severely immunosuppressed patients and shared their list with their CCG?
9. Has the CCG ensured that all eligible patients have been invited to book an appointment?
10. *[If “no” to Q8]* What measures are being put in place to ensure these patients are identified and contacted ASAP?
11. *[If “no” to Q8]* Please list any practices which haven't shared their patient list (practice code).
12. Please state the number of eligible patients that the CCG has contacted / arranged to book an appointment.
